The Gale Group Cites Gary W. Patterson's Corporate Board Embarrassment Quiz

March 18, 2008 – Boston, Mass – Recognizing President & CEO of FiscalDoctor™ Gary W. Patterson's expertise on governance and related corporate governance issues, Goliath Industry and Business News adds Patterson's self-evaluation quiz, "**What Is Your Board's Embarrassment IQ?**" to its online business content service. Goliath is part of The Gale Group™, a world leader in e-research and educational publishing for libraries, schools and businesses. Patterson's quiz is classified under the subjects Board of Directors, market forecast, market share, trends, demand, production trends, industry forecast, sector trends, supply analysis, production information, market trends, industry information, subsidiaries and business associations.

The article was originally published in **Directors & Boards**, December 2007, a quarterly journal dedicated to topics of leadership and corporate governance. Interested parties can take the quiz by going to Patterson's website, www.fiscaldoctor.com.

About Goliath

Goliath is The Gale Group, a part of Cengage Learning's online-business content service, providing global company and industry intelligence to business executives. Goliath provides immediate online access to more than five million records including business articles, industry reports, company profiles and executive contacts pulled from business data resources maintained by The Gale Group. The site serves a range of business needs - from starting a company, to researching an existing company and reviewing best practices, to retrieving recent business news.

Goliath Industry and Business News includes thousands of articles from journals, newspapers, newswires, and magazines, covering a wide range of industries and business topics.
