## **Society of Professional Consultants Recognized CEO FiscalDoctor™ Gary W. Patterson as Thought Leader for Best Practices/Breakthrough Success Stories**

**December 14, 2007 – Wellesley, MA** – Gary W Patterson, CEO of FiscalDoctor™ ([www.fiscaldoctor.com](http://www.fiscaldoctor.com)), was a featured panelist at the Society for Professional Consultants year-end Holiday Celebration panel on "Success Stories 2007." Patterson was honored for his best practices and breakthrough efforts garnering international speeches and getting published in high-profile trade and business publications, including *Financial Executive* and *Directors & Boards*. Patterson is also a contributing expert to a forthcoming book on making strategic use of Other People's Money (OPM) to build corporate value.

Patterson's advice to the consulting community is this: "Get published and secure speaking opportunities. It's the surest and most effective way to become an expert."

### **About Society of Professional Consultants**

The Society of Professional Consultants is a non-profit, New England-based resource organization for consultants who represent diverse disciplines and work in multiple industries. The Society was established in 1986 by consultants for consultants to create a dynamic peer network. For more information, visit [www.spconsultants.org](http://www.spconsultants.org).
